

15/3/2020

Dear Parents,

Worksheets will be uploaded (with the answer key) for the children to work on them.

- Here are some useful links if you would like to have extra worksheets.

<https://www.mathinenglish.com/worksheetsgrade4.php>

<https://www.worksheetfun.com/category/grades/fourth-grade/>

<https://www.dadsworksheets.com/worksheets/comparing-fractions.html>

<https://www.k5learning.com/free-math-worksheets/fourth-grade-4>

<https://www.math-salamanders.com/4th-grade-math-worksheets.html>

<https://www.twinkl.co.uk/resource/year-4-school-closure-home-learning-resource-pack-t-e-2549913>

- A PowerPoint presentation will be prepared for the new topic: Fraction of a set.
-

Regarding chapter six in **Science** (Sounds) Children can start reading from the pupil book and there are three videos on weebly, and I'll try to find more.
