

16/2/2020

Dear Parents,

During this week we'll cover the following topics:

Maths

Continue with comparing and ordering fractions.

Types of lines.

Review for the exam.

Science

How do electrical components affect an electric circuit?

Review for the exam.

Quick reminder

Sunday 16th of February is the 100 days of school, let the children use their imagination and be Creative ☺

Minds are like parachutes; they only function when open.
